Cancer of the Tongue. Cancer of the Tongue.

My wite some three or four years ago, was troubled with an above on the safe of her tongue near the throat. The pain was incessant, causing loss of sleep and producing great nervous prestration. Accompanying this trouble was rheminatism. It had passed from the shootders and centered in the wrist of one hand, she aimset being the use of it. Between the authoring of the two, life had grown burdensome. By the use of a had dezen small-sized bottles of Swift's Specific, she was entirely relieved and restored to health. This was three years ago, and there has been no return of the slasses.
